

SUH/SSE Software License Agreement.

This is a legal agreement between you and Stiftung University Hildesheim / Software Systems Engineering (SUH/SSE) covering your use of *EASy-Producer* (the "Software").

1) The Software is provided as evaluation copy, only for non-commercial use (this allows the use in publicly funded research projects). Future open source versions under appropriate licenses may follow.

Commercial users: please contact us by E-Mail for an appropriate license.

2) You are encouraged to provide feedback on the Software to (your contact at) SSE, preferably after six months of use. We appreciate to be informed whether you applied the software, how you evaluated it and which results and conclusions you draw from it (positive, neutral as well as negative). In case of publication, we would appreciate a preprint copy.

3) The Software is owned by SUH/SSE and is protected by copyright laws and international treaty provisions. Therefore, you must treat the Software like any other copyrighted material.

4) You may not distribute, rent, sub-license or otherwise make available to others the Software or documentation or copies thereof or the download URL, except as expressly permitted in this License without prior written consent from SSE. In the case of an authorized transfer, the transferee must agree to be bound by the terms and conditions of this License Agreement.

5) You may not remove any proprietary notices, labels, trademarks on the Software or documentation. You may not modify, de-compile, disassemble or reverse engineer the Software.

6) Limited warranty: The Software and documentation are "as is" without any warranty as to their performance, merchantability or fitness for any particular purpose. The licensee assumes the entire risk as to the quality and performance of the Software. In no event shall SUH/SSE or anyone else who has been involved in the creation, development, production, or delivery of this software be liable for any direct, incidental or consequential damages, such as, but not limited to, loss of anticipated profits, benefits, use, or data resulting from the use of this software, or arising out of any breach of warranty.
